Like all wonderful discoveries of science this new treatment is quite Like all wonderful discoveries of science this new treatment is quite simple. While as simple as the use of soap and water it will really make you look years younger. All you do is to massage this new prescription into your skin at night and in the morning wosh with warm water and a face cloth; rinse with very cold water. Isn't this simple. Follow these directions for a few days and you will be gratefully surprised at the result. We have seen results that are truly marvelous. This preparation is so astringent that wrinkles, crows' feet and enlarged porcs disappear as if by magic; the skin becomes many shades lighter, fresh, clear and youthful it banishes blackheads and pimples. This new discovery is called, in French, Creme L'Amé (La-may). It is ideal for massage and an excellent skin food fonic. If your hands get rough and red, it will keep them soft and white If you honestly went a perfect complexion go to Macy's, Riker's, and department store or your own druggist and ask for Crême L'Amé (La-may). You get enough for a month for only 25c. Do not forget this treatment is guaranteed. If your complexion does not quickly show a great improvement, your dealer is authorized to return your money without question. You are sure to be delighted. Millions of women have received this offer and everyone heard from writes, like Blanche Dearing, who says: "This conderful preparation has cleared my skin, lightened my complexion and tren color to my cheeks.
